Package: Bag 25 Kg

Expiry Date: 2 years from the manufacturing date.

Benefits

- Alkalife lifts rumen pH and stimulates growth and activity of rumen Bacteria and phrotozoa, increasing rumen fermentation rates, removing lactic acid improving DMI.
- Alkalife helps to neutralize acids in the rumen and provides a stable pH.
- Alkalife improves general health and performance.
- Alkalife improves feed efficiency and maintains optimum rumen pH

Storage

- Store in a dry place and avoid direct sunlight
