Benefits

- Hydralife is a complementary feed based on hydro / lysodispersible ingredients and integrated with Vitamin C and intestinal absorbents.
- Hydralife is in powder and should be administered in warm liquid feed.
- Hydralife contributes to the prevention of feeding and environmental enteric problems typical of young calves.
- Hydralife improves immune status.
- Hydralife avoids dehydration due to diarrheal phenomena.

Storage

- Store in a dry place and avoid direct sunlight
